Join Building a Thriving Compassionate Community for one of our Fall Community Conversations.

The focus of the Conversations is social inclusion. We are excited to learn how people think of it, in what ways our community promotes it, and what makes it challenging to facilitate.

Everyone is invited to attend, however participation is limited to 12 individuals per Conversation. Light refreshments will be provided.

Visit btccbloomington.org/fall-2017-community-conversation-series/ to check out more dates in our Fall Series.
