Crafting & Practicing Commitments to Care

Crafting and Practicing Commitments to Care

What's something from today that you found meaningful or challenging, and why?

What individuals or organizations do you plan to connect with beyond today, and how?

What tools, resources, or strategies from today could your organization move forward with to build belonging, mattering, and caring?

What community norms, narratives, or policies could we work towards together to build mattering & belonging with Monroe County youth?
